## JENKIN RACING TEAM

With the 2004/2005 sprintcar season all but finished, Dylan & the team can hold their heads high after completing a very successful first season for driver & crew. The racing is finished but there are still presentations to attend, including the Sprintcar Annual Dinner to be held in June at the Lakes Resort in Adelaide. The announcement of Rookie of the Year came through a few days ago, Dylan taking out the award in the closest voting in the categories history, which is exciting news. Dylan was one of three nominated for their achievements throughout the season. With his outstanding results throughout the World Series rounds with 5 heat wins & several A-Main starts & a second three weeks ago in the SRA Series at Moama, this award certainly finished off a great first year.

Jenkin Racing Team would like to thank the following sponsors for their support throughout the 2004/2005 season:

Mackenzie Intermodal  
Tinty Auto & Ag  
PB&KG Gaskell Fencing

## Comments from the Manager

What a busy year it has been already, and with all the exciting things coming up, Christmas will be here before we know it.

Back in March, Ann & I joined the Barry Maney Sales team and fellow sub-dealers at the Clipsal 500, where we also had our annual sub-dealer meeting. We enjoyed good company, good food & above all good racing. GO FORD!

Speedway season has been successful & with the latest announcement of Rookie of the year, we maybe booking a ticket to Knoxville to collect the award.

This month Dylan & I are travelling to the Brisbane Truck Show to check out the latest technology, while Ann & Jaime will be testing out their French as they travel to France for 2 weeks.

In August, Ann & I will be back on the plane, this time to Alice Springs to take part in the Kenworth Parts & Service conference. This year it will be held in conjunction with the Road Transport Hall of fame 10th Anniversary Reunion. Joining us will be one of our senior mechanics, Adam Keller who has been awarded Kenworth Master Mechanic of the year. Well Done Adam!

To finish off this exciting year, Jaime & Nathan will be getting married in October.

We are still waiting for some rain at the moment, but I am sure it will come and a good season will be enjoyed by all.

*John Jenkin*

## Staff News

John would hate us for telling you this, but the old man is turning 50 on June 4th. Happy Birthday, John! It's time to start slowing down, from all the staff.

At the beginning of March Alan Plum departed. Alan has now gone truck driving for Mick Hawker of Kaniva. We wish him well, and safe driving.

At end of April we fare welled Stuart Sargeant as he heads West again, to pursue an agricultural career. Good luck as you start a new career and a new lifestyle.

We welcomed Nathan Bamford to the team in early December. Nathan is working in the servicing department of the workshop.

In January Troy Taylor joined us. Troy is a qualified petrol mechanic from Naracoorte and will be taking on the challenge of working on diesel engines.

Early March we welcomed Steve Grellet. Steve will be replacing Stuart in spare parts, and has previous experience in the car industry.

In May we welcomed Fay Digby to our accounts department to fill Jaime's position. Fay will be working casually at approximately 20 hours a week. If you have any queries with your account please contact Fay on (08) 8752 0077.

## Position change

Jaime Jenkin will be moving from the accounts department into the front office. Jaime will now have more contact with customers and will be assisting the workshop and other areas of the business.

Steve Grellet, Troy Taylor, Fay Digby, Nathan Bamford

## Belated staff Christmas dinner

Tatiara Truck & Trailers annual staff Christmas dinner was held on February 19th, at the Frances Hotel. Staff & partners travelled to Frances by Kerry Norton's coach, and were treated with a three course meal and a couple of drinks together. A big thank you to Kerry for the enjoyable ride up and back.
