## Dylan's Nomination

Congratulations to Dylan Jenkin, who has been selected as one of the top 3 Kenworth finalists in PACCAR Australia's Technician Development Program for 2008!

Dylan will head to Kenworth Melbourne on April 22nd. While in Melbourne will attend the Technician Of The Year Challenge and a Celebratory Dinner. Dylan will be required to complete a multiple choice quiz, covering question papers distributed throughout the year. He will then complete a practical challenge to diagnose and repair faults built into a truck. If successful Dylan will receive a gift voucher to a store of his choice.

Good luck Dylan!

John & Ann will be heading off to Italia & France for a holiday during April and will return early May. We hope they have a enjoyable & RELAXING holiday!

Please direct your calls and enquires to the Shane, Lizzie & the leading hands.

## Comments from the Manager

The world economic downturn has us all concerned. But at this stage most local businesses seem the same for this time of the year.

There is even some interest in new and second hand trucks. So we must keep positive about the future and make the most of low fuel & interest rates.

Ann & I are having an exciting year with the arrival of our first grandchild Erin, Dylan and Michelle's News and even a holiday, Its been so eventful.

Even Jenkin Racing has parked the car for the rest of the season to give us all time to enjoy together.

Thank you for your ongoing valued support!

*John Jenkin*
