## Comments from the Director

In December Ann and I were delighted to become grandparents for the third time. Our son Dylan and his wife Michelle welcomed Lara to the world. We are ecstatic to see our family expand and look forward to watching our grandchildren grow up.

and I will be taking a trip to Canada. We will be touring international Kenworth facilities. We look forward to returning with insight into their innovations that we can apply, to remain technically superior.

lines to be completed. We look forward to extending this service to our valued customers within a couple of months.

The workshop extension is near completion with the pits being concreted in throughout December. The extension is being partially utilised already. The finishing touches are being completed on some sections. We look forward to it being fully operational in the coming months.

Southern End Workshop Extension Progress

In cohesion with the workshop extension completion, we have commenced the relocation of the wash bay and had a new toilet block installed. This additional space and equipment has enabled us to expand our workforce, as we welcomed four new staff throughout the last quarter.

Following the completion of the workshop extension Ann

On the 16th of February, Shane Neale, Ann and myself attended the South Australian Road Transport Association Gala Dinner. Hosted at the Convention Centre in Adelaide, the event gave us the opportunity to witness the annual industry awards & meet with customers & suppliers.

The building of the recovery trailer continues to progress. The trailer has now been painted, with just the hydraulic lines for the winches and air

Tatiara Truck & Trailers strives to provide the most technologically advanced facilities and expansion of our services. In line with this philosophy, we are proud to announce the purchase of 100 Tonne trailer axle bending equipment. This long term investment allows us to offer accurate camber adjustments on trailers to help eliminate inside tyre wear. In the near future we will also be able to complete camber adjustments on steer axles when the new pits are fully complete.

On behalf of everyone at Tatiara Truck & Trailers have a safe & wonderful Easter.

*Regards,  
John Jenkin*

## Public Holiday Closure

Tatiara Truck & Trailers Pty Ltd wishes to advise its customers that it will be closed for the Adelaide Cup public holiday, Good Friday and Easter Monday. Please be advised that our call out service will remain available everyday, 24 hours a day. To contact our call out mechanics please call 0418838437.

## Staff News

### Rizzo steps down after 35 years with Paccar

PACCAR AUSTRALIA stalwart Joe Rizzo is retiring after 35 years of outstanding service, the company says.

Rizzo, who has been Managing Director of Paccar Australia since 2007, will stand down from the role in March

"Joe has made an outstanding contribution to the growth of Paccar Australia and his leadership has enhanced Kenworth's reputation as a world class company," Vice President Helene Mawyer says.

Staff & Management at Tatiara Truck & Trailers would like to congratulate Joe on his outstanding service & wish him all the best for his future.

Dylan, Michelle & Lara Jenkin

Dylan & Michelle Jenkin were thrilled to announce the arrival of their first child, Lara Michelle, on the 13th of December, 2012. John & Ann Jenkin are delighted to have a third grandchild.

Congratulations to staff member, Darrell Jenkin, who married Monica. The couple tied the knot in Bordertown, in late 2012.

Darrell & Monica Jenkin

## New Staff

New Staff — Keith McLaine

Congratulations to Will Johnson on obtaining a school based apprenticeship. Will has worked at Tatiara Truck & Trailers Pty Ltd, after school, since 2011. This has facilitated the opportunity for Will to now attend school 3 days a week and develop his technical skills at Tatiara Truck & Trailers two days per week.

Brenten Watts recently joined the spare parts team. Following his wedding, Brenten has re-located to Kaniva and will complete a traineeship in spare parts interpreting.

Light Vehicle Mechanic, Keith McLaine commenced employment with Tatiara Truck & Trailers in February. Keith has recently moved to Bordertown and will be working in the service pit team.

Everyone at Tatiara Truck & Trailers is excited to announce the return of Troy Taylor to the team. After some time further a-field, Troy and his family have returned to the district and Troy has re-commenced employment in December, 2012.

New Staff — Brenten Watts

School Based Apprentice— Will Johnson

Returning Staff — Troy Taylor

For employment opportunities please visit our website [www.tatiaratruckandtrailers.com.au](http://www.tatiaratruckandtrailers.com.au) or phone John Jenkin on (08) 8752 0077.

**From \$1,049**

**WE ARE NOW A VIC ROADS LICENSED VEHICLE TESTER**

Dylan Jenkin & Brett Harry are both now accredited Vic Roads vehicle testers and Lizzie is an accredited vehicle tester administrator.

They will be able to issue a Victorian Certificate of Roadworthiness in our Bordertown workshop.

In Victoria a Certificate of Roadworthiness is generally required when a vehicle is sold or if a used vehicle is to be re-registered. This helps minimise the number of poorly maintained vehicles on the road. In some cases a Certificate of Roadworthiness is also required to clear a Vehicle Defect Notice or a Notice of Unroadworthiness.

A Certificate of Roadworthiness can only be issued by a licensed vehicle tester, operating from a nominated garage or service station.

### Speedway Wrap Up

On the 23rd of February the Bordertown Speedway Club hosted the South Australian Junior Sedan State Title. The event attracted over 40 competitors, from across the country. The meet was a success for the club and Tatiara Truck & Trailers wishes to congratulate all successful competitors on their efforts.

## Staff Training

Spare Parts Administrator, Anika Johannsen, recently completed the Parts Interpreter Level 1 course. The training was conducted at Paccar, in Melbourne, affording Anika the opportunity to develop her skills and network. Successful completion of this course is the gateway to Certificate III in Automotive Sales (Parts Interpreting).

The management of Tatiara Truck & Trailers congratulates Anika on her accomplishment and investment into her long term future with the company.

**Spare Parts Administrator — Anika**
