## OPENING WORDS FROM OUR GENERAL MANAGER

Hello and welcome to the November-December 2023 edition of the PACCAR Parts catalogue. Borrowing from the theme of this edition, "New Year Count Down," anticipating the next year always affords the opportunity to reflect on the one wrapping up.

If your version of 2023 has been anything like ours, you'll agree that the year seemed to fly by – again. At PACCAR Parts, 2023 was filled with challenges, new and recurring, as well as much to celebrate and build on – and in our case, we mean that literally.

PACCAR Parts is constantly investing in new ways to support our customers and dealers, and right now that involves a substantial expansion of our operations in Bayswater, VIC and Brisbane, QLD. By the end of this year, our Brisbane distribution centre will be shipping parts from a new facility with twice the footprint. Our Baywater centre is undergoing an expansion to add 50% capacity by this time next year.

We'd also like to acknowledge the investments made by the dealer network this year. As of the printing of this catalogue, the network has opened three new TRP stores in 2023 – in Warwick, QLD; Gisborne, NZ; and Peninsula, VIC – with more stores in the pipeline.

This year, we also expanded our product offerings thanks to the release of some significant programs, including Kenworth Genuine cleaning products and the further growth of Kenworth Genuine batteries, now installed in new Kenworth trucks.

We displayed an extensive range of Kenworth Genuine Merchandise at the Brisbane Truck Show in May, promoting more stock on hand than ever before. New products included flannelette shirts, belts and staples such as T-shirts and polos. Take a look at our Christmas Gift Guide for much more!

Our TRP offering continues to expand with the new antivibration range of products, including bushes, rubber cushions and repair kits. And TRP All Cool is back and available through PACCAR dealerships.

This month we are pleased to introduce the new TRP warning triangle kit, which contains three triangles in a sturdy carrying case, compliant with Australian standards AS3790-1992 – a convenient addition to your truck.

I could go on, but it's probably best to save something for January. Until then, we at PACCAR Parts would like to wish you, your friends, family and colleagues a happy holiday season and an even brighter year ahead!

November 2023

**DEALERS AUSTRALIA WIDE | Visit [paccarparts.com.au](http://paccarparts.com.au)**  
**For more details, Freecall\* 1800 PPARTS (772 787)**

Prices herein are recommended selling prices for both Privileges members and non-members, inclusive of GST. Recommended selling prices in this publication are provided as a guide. Prices may vary at the dealerships. Freight charges may apply. Core charges are not included in selling price however may be applied by the dealer. All items have been included in good faith on the basis that goods will be available at the time of sale. Promotion available at participating Dealers from 1 November to 31 December 2023 or while stocks last.

\* Calls from Australian landlines are generally free of charge whilst calls from mobile phones are typically charged based on the rate determined by the caller's mobile service provider. Please check with your mobile service provider for call rates.

**Whilst every effort is made to limit the impact of delays, due to current global supply chain challenges, some products may not be available in all retail outlets during the promotional period.**

THE POWER OF  
**REDARC**

# REDVISION

## Vehicle Power Management System

**With great power comes great responsibility and REDARC has stepped up to this responsibility with their RedVision Integrated Systems. The award-winning RedVision systems combine smart battery management and centralised accessory control in one powerful package.**

### **ULTIMATE ACCESSORY AND POWER CONTROL SOLUTION FOR YOUR TRUCK.**

Eliminate flat start batteries and reduce downtime. REDARC's Vehicle Management range includes battery management and power distribution all controlled by RedVision. Whether it's via the dedicated RedVision screen or Bluetooth connected mobile device, RedVision is like a personal assistant for your truck's power.

### **CHARGE.**

Battery charging is made simple with RedVision. Each RedVision integrated system includes one of REDARC's tried and tested, premium DC charging solutions, designed to ensure your start battery remains charged. Whether it's trusted DC charging technology, Green Power Priority, adaptive charge, or simultaneous charge from AC, DC and solar inputs, these solutions will ensure your batteries are fully charged, taking the hassle out of power and increasing fuel efficiency.

### **MONITOR.**

Keep track of the essentials in real-time with RedVision. With live monitoring of your battery system, check how much power you have left, or how long until you're fully charged, and measure temperatures and water levels all from the RedVision in cabin display or on the go with the intuitive RedVision app for iOS or Android.

### **CONTROL.**

RedVision offers complete control of all powered appliances in your truck. In the cabin, switch on and off devices such as lights, fans, a TV or soundbar. Take control outside of the cabin with the RedVision phone app, perfect for controlling exterior lights and accessories such as hydraulic tippers and electric tarps.

### **AUTOMATE.**

RedVision can be programmed to automatically control multiple devices, act as a master switch and even disconnect or prioritise non-essential loads to preserve and protect your batteries. For example, simply hit one button to turn everything off and just leave the fridge running.

# TRP® GEELONG MOVES TO NEW LOCATION

The City of Geelong, VIC, 65 kilometres south west of Melbourne, is now home to a brand new truck and trailer parts store under the globally successful TRP® brand.

TRP has had a store in Geelong since 2017, however due to phenomenal growth, the store has relocated to a brand new larger premises at 2/27 Success Court, Corio, to accommodate the growing range. Owned and operated by Kenworth DAF Melbourne, TRP Geelong stocks a range of TRP truck and trailer parts, backed by PACCAR Inc., as well as other well-known and trusted aftermarket brands.

The TRP brand, positioned as an affordable all makes supplier of high-quality parts for prime mover, rigid trucks, and all types of heavy trailers, now has 279 outlets worldwide, including thirteen in Australia.

The store stocks a high proportion of consumables for all major truck brands, ranging from filtration, lubricant, and electrical products, to brakes, suspensions, steering, wheel ends, trailer parts and accessories. All TRP Parts come with a minimum 12-month warranty.

Kenworth DAF Melbourne General Manager, John Everett, said “We’re excited to have moved into this larger, modern facility with easy access from the by-pass. It has enabled us to expand our range and depth of stock and to provide an even better service to our customers in Geelong and surrounding areas”.

TRP Geelong Parts Manager, Peter Mammarella, added “We are a trusted team proven to deliver reliable service to our customers. We are committed to ensure we have the right parts on the shelf to keep you on the road longer.”

The TRP Geelong store is located at:

**2/27 Success Court, Corio, VIC 3214**  
**Phone: 03 5274 2646**

**Open 8.00am - 5.00pm Monday to Friday and**  
**Saturday 8:00am - 12:00pm**

**FIND YOUR NEAREST DEALER ON**  
[paccarparts.com.au/find-a-dealer](http://paccarparts.com.au/find-a-dealer)

Prices herein are recommended selling prices for both Privileges members and non-members, inclusive of GST. Recommended selling prices in this publication are provided as a guide. Prices may vary at the dealerships. Freight charges may apply. Core charges are not included in selling price however may be applied by the dealer. All items have been included in good faith on the basis that goods will be available at the time of sale. Promotion available at participating Dealers from 1 November to 31 December 2023 or while stocks last.

Whilst every effort is made to limit the impact of delays, due to current global supply chain challenges, some products may not be available in all retail outlets during the promotional period.

\* Calls from Australian landlines are generally free of charge whilst calls from mobile phones are typically charged based on the rate determined by the caller's mobile service provider. Please check with your mobile service provider for call rates.
