OPENING WORDS FROM OUR GENERAL MANAGER

As we usher in a new year, we're excited to release our February-March catalogue, themed "Back on the Road." This season, we're dedicated to helping truck drivers start strong in 2025 by providing essential products to ensure your trucks are ready to hit the road safely and efficiently.

We understand that for many, the start of a new year comes with renewed goals and the opportunity to set forth on new journeys. Whether you're hauling cargo across the country or maintaining a local fleet, having the right products is crucial. This catalogue's offers feature an extensive range of high-quality products at great prices, designed specifically to meet the needs of those who rely on their trucks every day.

You'll find everything from OEM products to a wide variety of all-makes parts from trusted brands, as well as Kenworth Genuine cleaning products, accessories and merchandise to keep your truck - and you - looking great.

We know how critical it is for truck drivers and service teams to have reliable parts on hand at the right time. That's why we have partnered with top manufacturers to offer a broad selection of products that meet and exceed industry standards.

Whether you're looking for high-performance products, essential maintenance or innovative accessories to enhance your driving experience, our catalogue has something for everyone.

Moreover, our catalogues are not just about products; they are about the community we serve. We believe that when we support each other and invest in quality, we contribute to a safer, more efficient road system. As you browse through our offerings, we hope you feel inspired to make the necessary upgrades and repairs that will keep you and your vehicles running smoothly.

Thank you for your continued trust in us as your go-to source for all things truck-related. Let's make this year a successful and safe one together. Here's to getting back on the road with confidence!

Safe travels,

Mark Santschi

Kenworth drivers take a lot of pride in keeping their rigs looking great. The comprehensive Kenworth Genuine Cleaning Range makes it even easier to keep your truck gleaming.

Specifically formulated and developed to be used on Kenworth trucks (but also works great on other premium vehicles), the range of cleaning products are the industry's most advanced with the inclusion of ceramic Silicon Dioxide technology.

The Kenworth Genuine Cleaning Range has also been tested by PPG Industries for compatibility with the PPG paint used on the Kenworth production line and has been formulated and manufactured in Australia specifically for Australian conditions.

MERITOR® GENUINE BRAKE SHOE KITS

- Meritor Genuine friction material MA2301 is now used on all Meritor brake shoes fitted to axles assembled in Australia.
- This lining replaces the R301 friction on all production axles.
- MA2301 offers exceptional friction stability allowing application coverage across construction, heavy haul, heavy-duty linehaul, and specialty vehicles.
- Exceeds FMVSS 121 reduced stopping distance requirements by 10 percent.
- Available in 5", 6" and 7" QP and 7" severe service P brakes.
